1778 CENSUS

OF

MARYLAND

COMPILED BY

BETTIE STIRLING CARITHERS
14493 EDDINGTON DRIVE
CHESTERFIELD, MISSOURI
63017
The 1778 Census of Maryland was taken in order to determine who had not signed the Oath of Fidelity. This census has been copied from original sources at The Hall of Records in Annapolis Maryland and include all the existing 1778 census records.

No effort has been made to alter the spelling of names as the original enumerator wrote them or the order in which they were recorded.

An X following the name indicates the man's inability to write and so he signed with this mark. All pertinent data has been copied.

It is suggested the reader check every possible spelling and the entire page on which a name of interest appears. A name may appear several times on a page, although listed only once in the index for each page.
